| The potential for the new "curtis park village" to destroy the quiet nature of my neighborhood. If it were only a residential development it would fit perfectly into the surrounding community. But the 150,000 Sq. Ft. of commercial development will bring over 15,000 new car trips per day into the area. Our neighborhood could be flooded with new traffic. |               |                          |                            |                      | 1              |

| Don't like 3 lane, 1 way downtown that don't have safe cycling. I ride my bike to work downtown & many of those 3 lane 1 ways can't be avoided. Love the change from 3 lanes to 2 lanes on 1 way w/bike. |               |                          |                            |                      | 1              |
